

Publikations- og foredragsliste 2002

Anæstesi- og operationsklinikken, HovedOrtoCentret

Disputatser og ph.d. afhandlinger

1. Abildstrøm H. Ældre og cognitiv dysfunktion – genetisk disposition, forandringer i cerebralt blood flow og langtidsprognose. Ph.d. afhandling forsvaret 01.03.02
2. Gätke MR. Mutations in the butyrylcholinesterase gene and their significance for the reaction to mivacurium. Ph.d. afhandling forsvaret den 19.04.02.

“Peer review” publikationer

Ikke "peer review" publikationer

1. Koscielniak-Nielsen Z. Axillary block by double-, triple- or quadruple-nerve stimulation (letter to the editor). *Reg Anesth Pain Med* 2002, 27:442-3

Bøger og bogkapitler

1. Lippert F, Ebskov L. Modtagelse af den svært traumatiserede patient. I Skadestuekirurgi. Munksgaard 2002, kapitel 2, side 25-41
2. Rasmussen LS, Jansen EC. Anæstesi. I Skadestuekirurgi. København, Munksgaard 2002, pp. 43-57

Andet

1. Mortensen CR. Referent på bogen "Akut pædiatri og neonatologi" af Juri Lindy Pedersen, FADL's Forlag 2002

Inviteret foredragsholder

1. Lippert F. 1) Specialisering ved interhospital transport af kritisk sygepatienter og 2) Sikkerhedsaspekter ved interhospital transport. Landskursus om interhospital transport af kritisk syge patienter, 12.april 2002, Ålborg
2. Lippert F. The Chief Emergency Physician Training course . Emergencies and Public Safety. 5th Nordic Congress on Disaster and Emergency Medicine, Göteborg 29-31 August 2002
3. Lippert F. Trauma Care and the Anesthesiologist in Copenhagen. Helsinki University Hospital, Finland, 22 august 2002
4. Lippert F. Righospitalets Traumecenter – uppbygggnadd och verksamhed. 7:e Kirurgveckan, Eskilstuna, Stockholm, Sverige, 19. august 2002
5. Lippert F. 1) Specialisering ved interhospital transport af kritisk sygepatienter, 2) Sikkerhedsaspekter ved interhospital transport. Landskursus om interhospital transport af kritisk syge patienter, 12.april 2002, Ålborg
6. Møller JT. Akkreditering af en anæstesi- og operationsafdeling. En klinikchefs synspunkter og erfaringer. Temadag om akkreditering for personalet ved operations- og anæstesiologisk afdeling, KAS Glostrup, 22. november
7. Rasmussen, LS. Forskningsnetværket under SSAI, Anæstesi. Dansk Selskab for Anæstesiologi og Intensiv Medicin 7. november 2002
8. Rasmussen, LS. Cognitive deficit in the elderly following anaesthesia. British Society of Orthopaedic Anaesthetists 7th Annual Scientific Meeting, 15. november 2002, Middlesbrough
9. Rasmussen, LS. Cognitive dysfunction after cardiac surgery – what's new? IV international meeting for anaesthesia and intensive care. Associacao dos amigos do servico de anestesia e ucip do chvng. 28. november 2002, Porto
10. Viby-Mogensen J. Why multicenter studies? Pro et cons. Euroanaesthesia (ESA), Nice, april 2002

Frie foredrag

Abstracts

1. Abildstrom H, Rasmussen LS, Hanning CD, Korttila K, Grimsmo B, Kristensen D, Vila P, Enlund M, Johnson T, Moler JT and the ISPOCD2 group. Risk of cognitive dysfunction after non-cardiac surgery is not influenced by APOE-genotype. *Eur J Anaesthesiol* 2002; 19: A-451
2. Baréthélémy A, Germonpré P, Heiden C, Jansen E, Rocco M. Hyperbaric oxygen in the treatment of sudden deafness after failure of previous medical treatment. Start up of a multicentric, prospective and randomised study. 28th Annual Scientific Meeting of the European Underwater and Baromedical Society (EUBS) 2002, Brügge, september, abstract P4
3. Canet J, Rasmussen LS, Raeder J for the ISPOCD2 group. Does outpatient surgery reduce postoperative cognitive dysfunction in elderly patients? *Eur J Anaesthesiol* 2002; 19: A-68
4. Houman R, Desola J, Gough-Allen R, Jansen E, Jacek K, Savio F, Mandenoff A, Meliet J-L, Müller P, Schmutz J, Simao A. Cost action B14: Working group technical aspects: results, 28th Annual Scientific Meeting of the European Underwater and Baromedical Society (EUBS) 2002, Brügge, September, abstract 038
5. Méliet J-L, Desola J, Gata A, Gough-Allen R, Houman R, Kot J, Risby-Mortensen C, Mueller PH, Sipinen S. Cost action B14: Editing rules of good practice for hyperbaric medicine. 28th Annual Scientific Meeting of the European Underwater and Baromedical Society (EUBS) 2002, Brügge, September, abstract 035
6. Sminia P, Schmutz J, Hamilton-Farrell M, Sicko Z, Melamed Y, Jansen E, Luciano D, Carl U, Granström G, van de Fr Kleij AJ. Hyperbaric oxygen and radiotherapy. 28th Annual Scientific Meeting of the European Underwater and Baromedical Society (EUBS) 2002, Brügge, September, abstract 018
7. Working Group "HBO and diabetic foot lesion" of COST B14 action (bl.a. Erik Jansen). Hyperbaric oxygen therapy in the treatment of diabetic foot lesions – a randomised controlled prospective study. 28th Annual Scientific Meeting of the European Underwater and Baromedical Society (EUBS) 2002, Brügge, September, abstract 015

Posters
