

Curriculum Vitae

Tina Z. Jørgensen

Relevant research experience

2015- Ph.D student, The Bartholin Institute, Rigshospitalet

Education

2011-2014 **Cand.scient. in Molecular Biomedicine**, University of Copenhagen
Title of MSc thesis: Characterization of the TL1A-induced profile in a pro-inflammatory cytokine setting

2008-2011 **BSc in Molecular Biomedicine**, University of Copenhagen
Title of BSc thesis: T cell activation and regulation by TL1A

Certificates

2013 **Laboratory Animal Science** (FELASA Category C/EU Function ABD), University of Copenhagen

Publication list

Reichwald, K. *, **Jørgensen, T. Z. ***, Tougaard, P. *, & Skov, S. (2014). TL1A Induces TCR Independent IL-6 and TNF- α Production and Growth of PLZF+ Leukocytes. PLoS ONE, 9(1), e85793.
doi: 10.1371/journal.pone.0085793 (*co-first authorship)

Reichwald K, **Jørgensen TZ**, Skov S (2014) TL1A Increases Expression of CD25, LFA-1, CD134 and CD154, and Induces IL-22 and GM-CSF Production from Effector CD4 T-Cells. PLoS ONE 9(8): e105627.
doi: 10.1371/journal.pone.0105627
