

## Lene Lundvall

M.D., Chief gynecologist and head of the Department of Gynaecology at Rigshospitalet,

- Address:** Moseskrænten 31, 2860 Søborg, Denmark. e-mail: lundvall.kistrup@dadlnet.dk
- Work:** Dept. of gynecology, Rigshospitalet, University Hospital of Copenhagen. Blegdamsvej 9, DK-2100 Copenhagen, Denmark. E-mail: [lundvall@rh.dk](mailto:lundvall@rh.dk)  
Alternatively [lene.lundvall@regionh.dk](mailto:lene.lundvall@regionh.dk)
- Born:** Denmark, Copenhagen 11/12-54. Married, two children.
- Exam:** School-leaving certificate 1973.  
Graduation as a medical doctor, university of Copenhagen 1981  
Specialist in gynecology and obstetrics 1994.  
Subspecialisation in gynecological oncology  
Authorization for medical practice in Sweden 1985 and Norway 1999
- Education:** Several Danish hospitals including University Hospitals in Denmark and Rigshospitalet, University Hospital in Copenhagen.
- Scientific work:** Articles, lecture and papers on the subjects of gynecology, gynecological oncology, surgery and sexual assault.
- Teaching:** Pre- and postgraduate teaching in gynecology and gynecological oncology and advanced surgery at Copenhagen and Århus University.
- Leadership:** Copenhagen Business School (CBS), degree in administration and Management, 1997.  
Danish Management Forum, Leadership In Practice 2000-2001  
SIMI : MSDS graduation 21/2- 2003  
NLP: 2003.  
H:S: Education for leaders 2005-2006.  
Region H: Education for leaders 2011-2012  
Lean education
- Referee:** Ugeskrift for Læger  
BJC  
Acta Obstetrica et Gynecologica Scandinavica
- Membership:** Danish society of gynecology and obstetrics, DSOG  
Danish society for gynecological oncology, DGCG  
Nordic society for gynecological oncology, NSGO  
European society of gynecology and obstetrics, ESGO
- Honorary offices:** Member of the board of director of DMCG (Danish Multidisciplinary Cancer Groups) since 2010  
Leader of DGCG (Danish Gynaecological Cancer Group) since 2009.
- Actual research programmes:** Research programs in gynaecological oncology, tumormarkers. This programme has many Ph.D students on the way.  
Research programmes in fast tract surgery
