

CURRICULUM VITAE

Jann Mortensen, MD, DMSc

Clinical Professor, Chief Physician

Born the 29th of October 1959, Torshavn, the Faroe Islands

Current Positions

- Clinical Professor in Clinical Physiology and Nuclear Medicine at University of Copenhagen (UCPH), since 2017
- Chief Physician, Department of Clinical Physiology, Nuclear Medicine & PET, Rigshospitalet, since 2000
- Consultant responsible for Nuclear Medicine at the National Hospital of the Faroe Islands, since 2009

Honors & Awards

- “Honorary Award” from the Danish Society of Respiratory Medicine, November 2014
- “Most Valued Teacher” award (Årets Skintillator) from the fraction of young doctors (YNK) in the Danish Society of Clinical Physiology and Nuclear Medicine, September 2014
- “Honorary Award” from the Danish Society of Clinical Physiology and Nuclear Medicine, September 2015

Medical Education

MD from Copenhagen University (UCPH), 1985

From 1985-2000: Flight surgeon (1 year). Surgical residency in Urology, Hvidovre hospital (½ year).

Medical residency in Pulmonary Medicine, Nephrology and Cardiology at Gentofte, Hvidovre, Bispebjerg University hospitals, respectively, and Visiting Assistant Professor of Medicine, Dept. of Medicine, Univ. of Illinois at Chicago (2.5 years)

Research employment, then specializing in Clinical Physiology and Nuclear Medicine through training in departments at The Finsen Institute Rigshospitalet, Hvidovre Hospital and Glostrup Hospital (8.5 years)

Specialist in Clinical Physiology and Nuclear Medicine, 1996

DMSc at UCPH, 1998

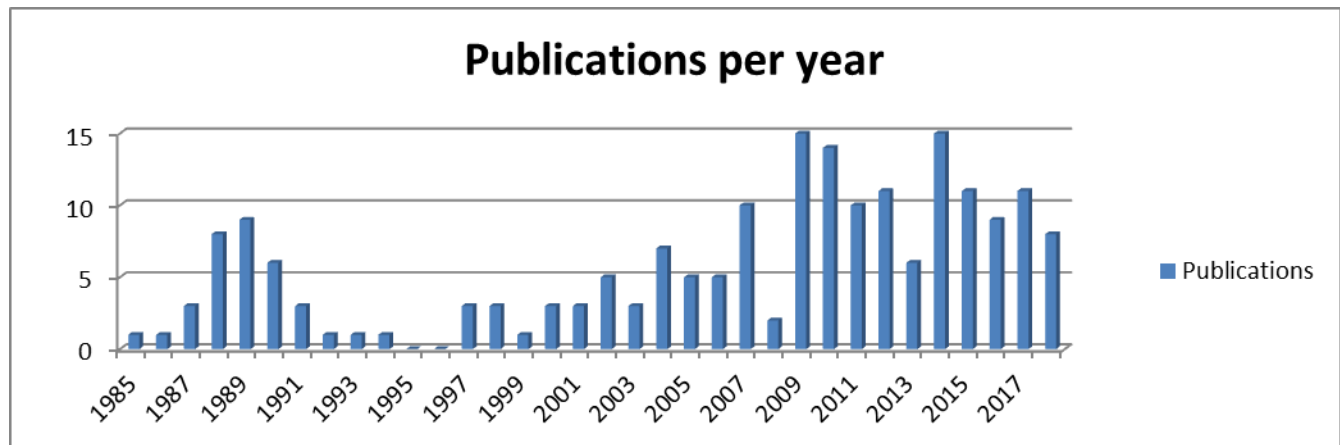

Staff specialist 1997-2000, and Chief Physician at the Department of Clinical Physiology and Nuclear Medicine, Rigshospitalet, since 2000

Scientific Experience

Author/co-author of 203 peer reviewed publications comprising:

181 scientific papers: 124 original papers, 42 review papers, 3 editorials, 12 case stories and 13 book chapters and 9 standards.

- DMSc thesis: Bronchoscintigraphy and pulmonary clearance of ^{99m}Tc -albumin colloid in the study of mucociliary clearance. Dan Med. Bull. 1998; 45: 195-209 (no. 39 in the publication list).
- Google Scholar: citations: 6431, H-index: 44 (i10-index: 91)
- Research gate score 43.36. https://www.researchgate.net/profile/Jann_Mortensen

Official research assessor of 9 DMSc or PhD theses (UCPH 2002 & 2004, Lund 2005 & 2014 & 2018 & 2019, AU 2000 & 2007, SDU 2017), and Adjunct Professorship (AU 2002) and Associate Professorship (UCPH 2004).

Supervisor for 6 PhD. students and for 17 medical students (bachelor and master thesis) or other students. Currently supervisor for 2 PhD. students and for 2 medical students.

Reviewer at 20 medical journals (>80 reviews) and section editor (BJR)

More than 100 oral lectures at scientific meetings

Teaching Experience

Clinical Professor in Clinical Physiology and Nuclear Medicine, UCPH, april 2017-

Associate Professor in Clinical Physiology and Nuclear Medicine, UCPH, 2003-2017.

Assistant Lecturer/Substitute for Associate Professor in Clinical Physiology and Nuclear Medicine, UCPH, year 1994-2003.

Over 500 pre-graduate lectures to medical and other students, more than 200 postgraduate lectures to medical doctors at 68 specialist courses and over 130 lectures at post-graduate courses or staff-meetings.

Medical Pedagogical training course, UCPH, 1995.

Consultant responsible for the post-graduate education at Department of Clinical Physiology, Nuclear Medicine and PET at Rigshospitalet, 2000-2007.

Member of various committees of education in the specialty of Clinical Physiology and Nuclear Medicine and head of many courses in Clinical Respiratory Physiology.

Leadership & Management

- Head of Section at Department of Clinical Physiology, Nuclear Medicine & PET, Rigshospitalet, 2003-2017
- Consultant responsible for Clinical Physiology and Nuclear Medicine at the National Hospital of the Faroe Islands, since 2009
- Member of Research Ethics Committees of the Capital Region of Copenhagen, 2009-2018
- Member of many scientific boards, regional and national working groups.
- Member of various committees of education in Clinical Physiology and Nuclear Medicine, e.g. the Danish Specialist Training Committee and the Post-graduate Education Committee
- Organized 24 specialist courses for training doctors in Clinical Respiratory Physiology, 1993-
- Organized scientific meetings for the Danish Societies of Clinical Physiology and Nuclear Medicine, Radiology and Pulmonary Medicine
- Supervisor for 24 previous PhD or student theses, and 4 current PhD or master students
- Administrative education: "Management training" Rigshospitalet, 2000-2001 (1½ year)

International Research Cooperation (previous and recent)

- University of NC-Chapel Hill, USA, Univ. of Southampton, UK, Glasgow Royal Infirmary, UK & Rigshospitalet on mucociliary clearance studies in cystic fibrosis (with Donaldson SC, et al.)
- Uppsala, Karolinska, Oslo, Bergen, Aarhus & Rigshospitalet on diagnosis and treatment of NET, (with Janson E, Sundlöv A, et al.)
- The Netherlands, Belgium & Copenhagen: NELSON Cooperation on lung cancer screening with low-dose CT (with Pedersen JH, et al.)
- San Diego & Rigshospitalet. Improved aerosolisation to the airways (with Yeates DB, et al.), 2016-
- UCPH, AU, Lund-, Gothenburg- and Leuven University regarding studies of ultrafine particles - WP1B Personal Monitoring (PI Steffen Loft)
- Polarized He to image the lung (PHIL) 5th EU framework prog. UCPH, Mainz, Sheffield.
- University of the Faroe Islands, University of Exeter and UCPH: Health effects of football on early disease: Cardiovascular and muscle adaptations, body composition, etc. (with Mohr M, et al.)
- University of the Faroe Islands, Harvard University, SDU and UCPH: Inflammation and metabolic changes in a pollutant-exposed Faroese birth cohort (with Weihe P, et al.)

Grants

Together with research collaborators obtained research grants for over 10 mio DKK from research foundations, e.g. the Danish Medical Research Council, The Danish Lung Association, The Velux Foundation, Rigshospitalet and Medical Companies.
