

CURRICULUM VITAE - SUMMARY

NAME Kirsten Grønbæk	DATE OF BIRTH April 20 1960	CITIZENSHIP Danish	
POSITION TITLE Professor, Chief Consultant Hematologist			
INSTITUTION	DEGREE	YEAR	FIELD OF STUDY
University of Copenhagen	Full Professor	2018	Clinical Hematology
University of Copenhagen	Professor	2014	Translational Hematology
University of Copenhagen	DMSc	2005	Lymphoma genetics
University Southern Denmark	M.D.	1990	Medicine

PERSONAL STATEMENT

I have a longstanding interest in translational genetics and epigenetics of hematological cancers. While my doctoral thesis was mainly on the genetics of lymphoma, I have now extended the scope to other hematological cancers with a main interest in translational epigenetics.

POSITIONS

- 2018, July 1st- Full professor (lærestolsprofessor) Hematology, University of Copenhagen (UCPH).
2014- *present* Professor of Molecular Genetics in Hematology, UCPH, Department of Hematology, Rigshospitalet (RH), Part time (50 %) research position (Novo Nordic Clinical Research Grant).
2010- *present* Chief Consultant Hematologist, Department of Hematology, RH.
2005- *present* I hold part time (50 %) research positions combined with clinical work (50 %) at Department of Hematology, RH.

TRAINING: Research training: Doctoral thesis in lymphoma genetics with professor Per Guldberg, Danish cancer society 1996-2003. Clinical training: Specialist hematologist 2009, RH.

CURRENT LABORATORY: A total of 15 persons: 6 Postdocs, 6 PhD- and 1 Pre-graduate student, 1 Research nurse, 1 Technician, 1 Research coordinator.

PREVIOUS MENTORSHIPS: Main supervisor: 12 PhD students, Co-supervisor 3 PhD students, 5 Master students, 6 Medical students in research year, Mentor of 6 Postdocs.

ADVISORY BOARDS AND COMMITTEES

- 2019 – *present*: Chair of “Danish Research Center for Precision Medicine in Blood Cancers”.
2019 – *present*: Chair of Independent Research Fund Denmark, Medical Sciences (FSS). (2016-18: Deputy Chair, 2016 - Executive Committee, 2015 - board member)
2018 – *present*: European Hematology Association (EHA), Board Member (2014-18: Scientific Advisory Committee, and Scientific Program Committee).
2017 – *present*: Deputy Chair; 2018 Chair of Clinical Academic Group, Translational Hematology.
2015 – *present*: Co-Chair of the Nordic Myelodysplastic Syndrome group.
2012 – 2017: Board of Research Council, RH.
2007 – 2010: Chairman of the Danish Society for Cancer Research.

HONORS AND AWARDS

- 2018 'Gårdejer Ingemann Petersen og Hustrus Fond' Honorary prize for cancer research.
2012 William Nielsen Foundation Honorary prize for cancer research

Publications: 113 papers in peer reviewed journals, mainly in relation to translational Hematology, H-index 37, 5 book chapters.
