

Welcome to PREPARE

Play, Rights, and Experiences in Paediatric cARE

Jesper Erdal

Deputy Director Rigshospitalet
Acting Center Director Juliane Marie Center
Project Director Mary Elizabeth's Hospital

PREPARE focuses on

- The rights of hospitalised children and adolescent
- Ways of promoting children's right to participation in their own care and treatment
- Topics as
 - Communication
 - Involvement
 - Playful approaches
 - Patient-centred care

Why focus on these topics?

45% do not understand
the information they
receive from healthcare
professionals

25% experience
to do something
against their will

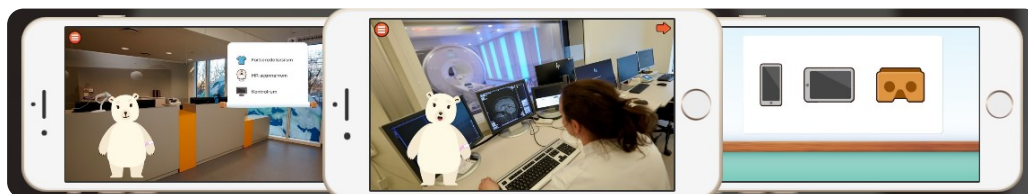

Playful approaches

Feeding tube

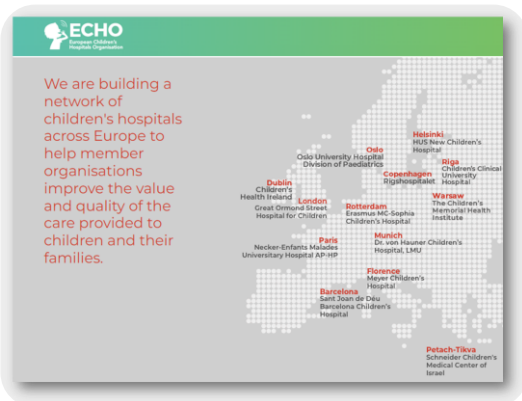

Magnetic resonance scans (MRI)

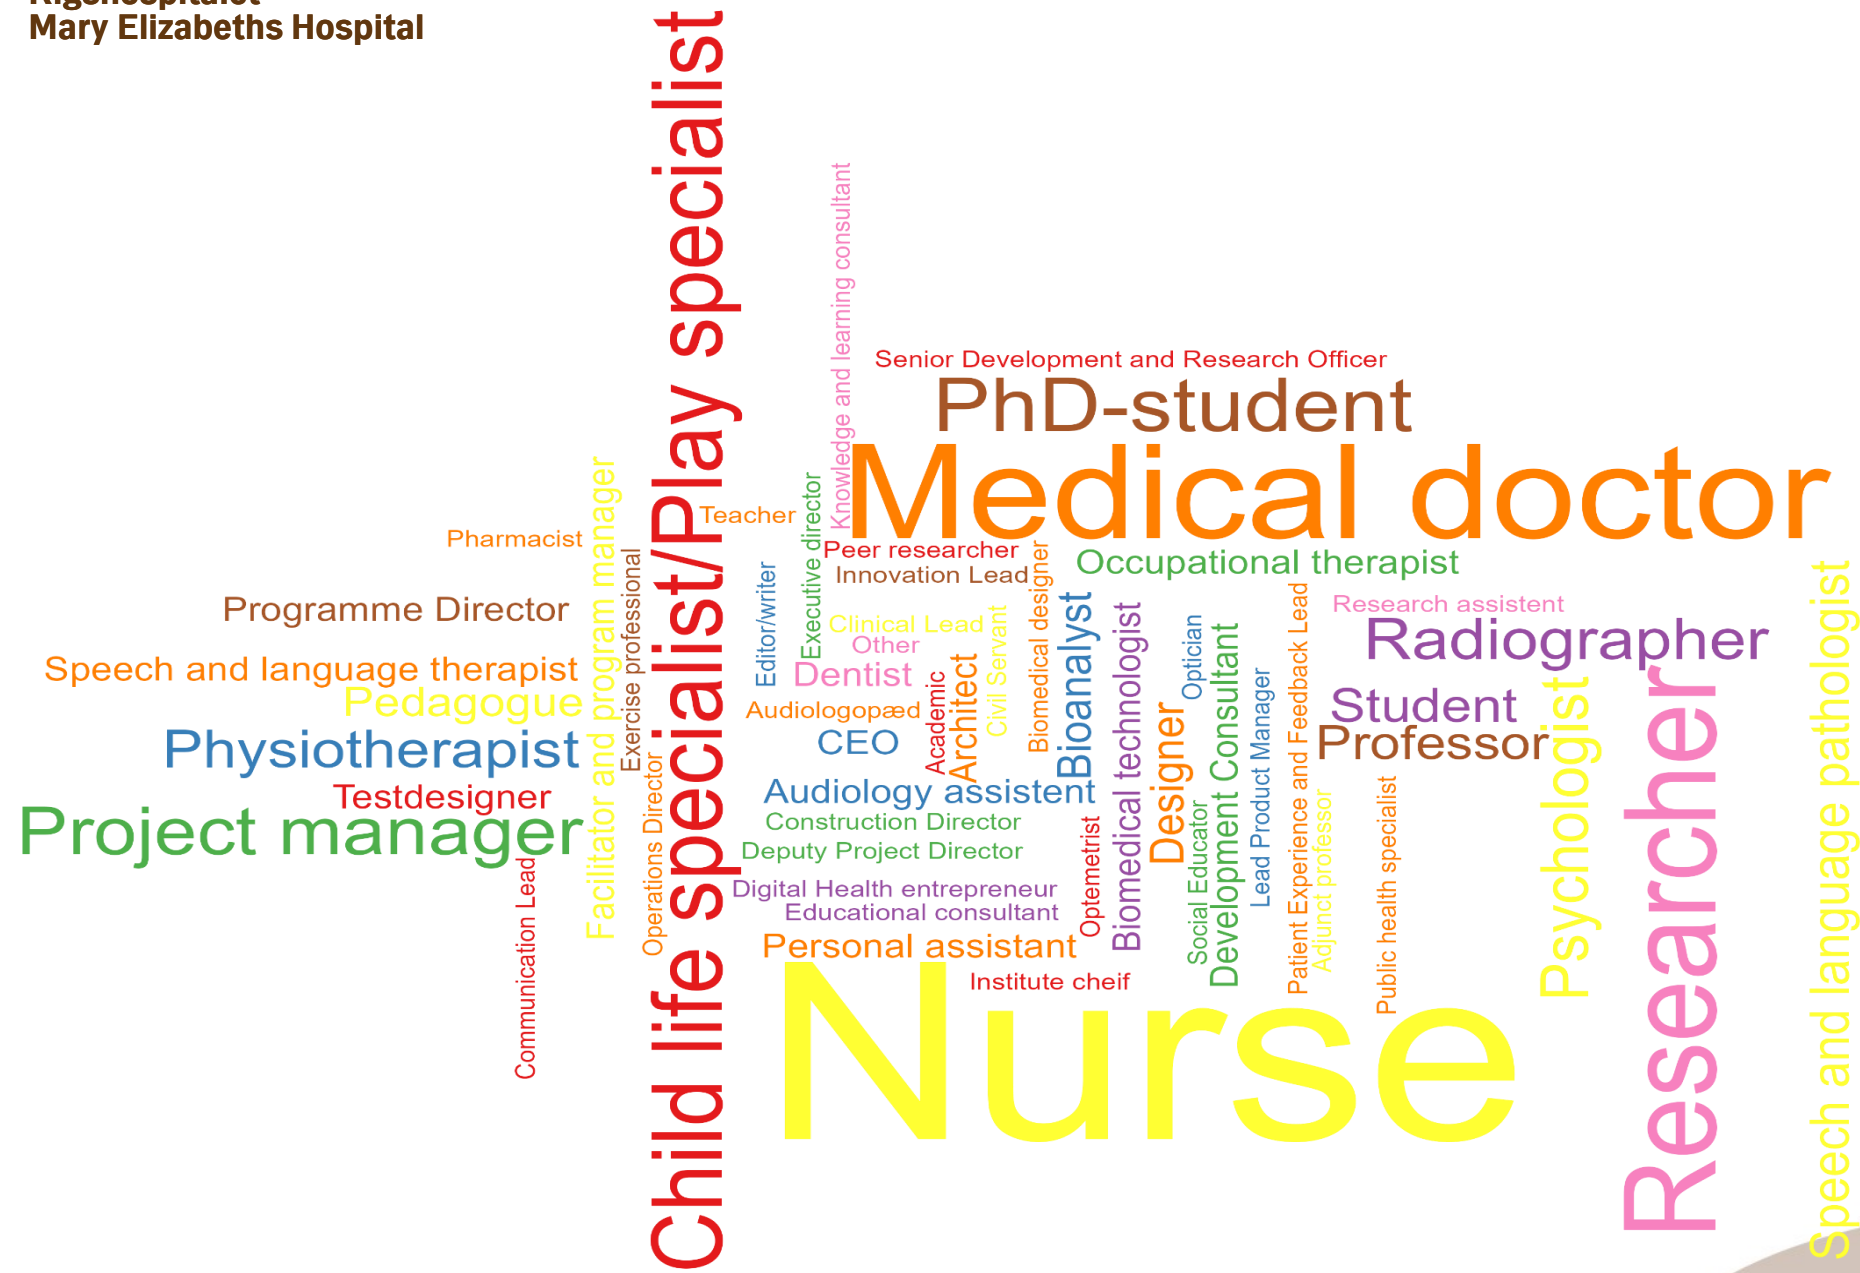

Patient pathway board

A word cloud featuring various countries. The word 'Denmark' is the largest and most prominent, rendered in a bright yellow color. Other countries visible include 'United Kingdom' in blue, 'Spain' in purple, 'Ireland' in pink, 'Latvia' in brown, 'Luxembourg' in brown, 'Canada' in green, 'Italy' in blue, 'Germany' in brown, 'Finland' in brown, 'Sweden' in brown, and 'Norway' in pink. The words are arranged in a somewhat circular pattern around the central 'Denmark'.

European Childrens Hospitals Organisation (ECHO)

What do you hope to get out of PREPARE symposium?
